ART WITH A HEART

Overview:

The Agawam Community Artists and Artisans' *Art with a Heart* program links ACAA with community service through public workshops. Our workshops are designed to offer the community a fun and creative experience while raising money for local food banks.

All of our community workshops are conducted by artists and artisans from ACAA. Our workshops cover a variety of adult art instruction at the beginner level.

The public is invited to register for our workshops. Our workshops are \$15.00 per workshop per person. Additional donations to food banks are gratefully accepted. Net proceeds from all of our workshops are donated to food banks in Agawam, West Springfield, Southwick, Westfield, and Springfield.

What are the painting projects?

Art with a Heart painting projects range from acrylic painting to watercolor cards to decorating wine glasses and everything in between. Every project is different. All will help you experience and express your

creativity while helping neighbors in need. You may want to register for multiple sessions to try all of the available projects.
