

## SHARE – A – PALOOZA MEETING MARCH 12, 2025

What is SHARE-A- PALOOZA you ask?

This is a fun addition to our monthly meeting agenda. A few of our talented members got together and brainstormed this idea.

### SHARE- A- PALOOZA – AN ART SHARING EVENT

The meeting for the month of March 12, 2025, will showcase 6 of our ARTISANS. They will be demonstrating the process of creating their art.

There will be tables stationed around the room for the artisan demonstrations. Some may invite you to take part in creating a hands-on piece of art work. Pull up a chair watch, learn, ask questions, or comment. This will be a great way to give everyone a chance to explore and learn how our artisans create their art.

The date of the workshop/demonstrations will be March 12, at our next monthly meeting of the ACAA. This will be a volunteer demo on the part of our artists and artisans.

We will begin the business meeting at 6:00 p.m. SHARP and the demonstrations will start at 6:30p.m. to 8:00 p.m. Snacks and coffee will be available at 6:30.

We hope this will be a fun learning experience for everyone. After the meeting please let me know your thoughts, as we may offer more of this type of workshop/demonstrations at future meetings. The public is invited to this free meeting.
